

FUNDY SHOOTING SPORTS INC.

Minutes of Meeting January 9, 2024

Meeting Called To Order at: 7:10 p.m.

Adoption of minutes of meeting December 12, 2023

Moved by Ron Sessamen, seconded by Peter Harding

Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- John Kelly said we need members to step up and organize the Scout event for this year; Dave Greene will train the individual(s) and has a spreadsheet detailing all tasks that have to be completed. Unfortunately we will be forced to cancel this popular and meaningful event by February if no one volunteers.

New Business

- John Kelly said the bank statement for December has been received, balanced & all bills are paid.
- Dave Greene tabled the club's 2023 Income Statement, Asset Listing, & Balance Sheet. He presented a detailed overview of income & expenses. Member Dave Anderson had a question regarding shotgun shoot income not covering expenses for the same; Dave Greene explained that there were two pallets of clays & and a new thrower bought that caused the additional cost.
- John Kelly said a club steel shoot was held December 16th with 24 participants; we received a confirmation from the New Brunswick Wildlife Trust Foundation (NBWTF) for our application of a grant for "Scout Appreciation Day 2024". A "shotgun flush" event was held January 6th with 15 shooters taking part, raising \$426. 71 boxes of shells were shot; Bill Nason asked Dave Greene how the costs per shooter were tracked - Dave said it goes on the honour system with each person reporting their shell usage.
- John Kelly reported that the range was used 88.7% of all available days in 2023 and 2,389 member-trips took place for an average of 4.5 trips per member.
- Dave Greene said there are 505 members on the email list and opening rate average is up to 62%; 115 emails were put out by the club. Please make every effort to look at the emails as there are great deals on ammunition & important notices of when the range is being used for scheduled events.
- Bill Nason asked new members to remain after the meeting for range safety orientation.

Motion to adjourn at 7:35 p.m. by Peter Harding

Next Meeting at 7:00 p.m. February 13th, 2024

Bill Nason, PRESIDENT

Robert G. Roy, SECRETARY
